

## September 12

*"Rising Up from the Ashes: Examining the Effects of Smoke in Post-Wildfire Events on Plant Growth and Performance"*

**Richard Ferrieri**

Professor, Chemistry  
University of Missouri

Speaker Host: IPG Seminar Organizers

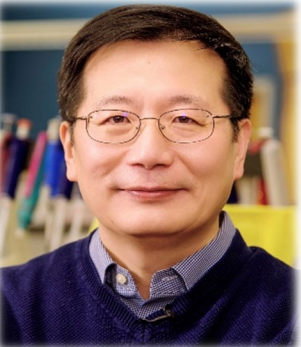

## September 26

*"Research and Development of a Yield and Yield Stability Trait in Elite Maize"*

**Jeff Habben**

Technical Director/Corteva Laureate  
Speaker Host: David Braun

## October 10

*"Plant MAPK signaling from immunity to growth and development"*

**Shuqun Zhang**

Professor, Biochemistry  
University of Missouri

Speaker Host: IPG Seminar Organizers

## October 24

*"Harnessing the potential of sorghum for carbon assimilation and sequestration"*

**Nadia Shakoor**

Donald Danforth Plant Science Center  
Speaker Host: David Braun

## November 7

*"Disrupting metabolic pathways to enhance product accumulation in seeds"*

**Timothy P. Durrett**

Department of Biochemistry & Molecular Biophysics  
Kansas State University

Speaker Host: Ruthie Angelovici

## November 28

*Title: To be announced*

**Babu Valliyodan**

Professor, Molecular Biology and Genomics  
Lincoln University

Speaker Host: David Braun

## September 19

*"Hormonal and genetic control of maize architecture"*

**Norman Best**

USDA-ARS Research Geneticist  
University of Missouri

Speaker Host: Paula McSteen

## October 3

*"Peptide Hormones in Nodulation and Nitrogen Acquisition"*

**Sonali Roy**

Tennessee State University  
College of Agriculture

Speaker Host: David Mendoza - Cozatl

## October 17

### No Seminar

Worker Protection Standards Annual Training for greenhouse and growth chamber users.

## October 31

*"Making Orange Great Again: Cucurbita for science, food, fun and art"*

**Mannie Liscum**

Division of Biological Sciences  
University of Missouri

Speaker Host: IPG Seminar Organizers

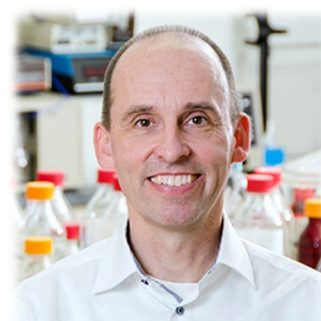

## November 14

*Title: To be announced*

**Paul Scott**

Iowa State University

Speaker Host: Jason Gillman and Sherry Flint-Garcia

## December 5

*Title: To be announced*

**Guido Pauli**

University of Illinois  
Speaker Host: Lloyd Sumner
